Tanvir · Sylhet · Bandarban

Good to know

Are your guides licensed?	Yes. Guides hold the local permits each area requires, and Sundarbans trips are accompanied by forest department rangers as the law requires.
What if bad weather cancels the trip?	Safety comes first. If a boat, ship or road is not safe, the trip is rescheduled or everything not already paid to hotels and operators is refunded.
How does payment work?	No payment is taken online. After a request we confirm availability and share bKash, Nagad or bank-transfer details; a deposit is asked only once the plan is confirmed.
Do you handle groups and companies?	Yes: corporate retreats, family reunions and school tours. Groups of six or more get a reduced per-person price and a dedicated trip manager.
